#### Winemaking

Piedra Sagrada follows a classic Médocain approach with no filtration. Each of the 7 vineyard plots is vinified separately in small, truncated stainless steel vats (5,000L) using only native yeasts. Terroir specialist Éric Verdier personally selects and blends the final cuvée, which is then aged for 16 months in new French oak barrels from Marsannay, Le Bois du Roy.

#### Tasting note

In 2017, we were able to blend fruit from all seven micro-plots — a complete expression of the estate. Deep ruby in colour. The nose opens with stewed blueberries and blackcurrant, followed by an evocative bouquet of spice, incense, rare woods, and a hint of aged rum. On the palate: pure elegance. Silky and harmonious, with supple tannins and no trace of harshness — a seamless and composed Cabernet.
