Harvest

Manual harvest on 16, 17 and 24 April 2018

Winemaking

Piedra Sagrada follows a classic Médocain approach with no filtration. Each of the 7 vineyard plots is vinified separately in small, truncated stainless steel vats (5,000L) using only native yeasts. Terroir specialist **Éric Verdier** personally selects and blends the final cuvée, which is then aged for 14 months in oak (65% new barrels, 35% second use barrels), Marsannay le Bois du Roy, France.

Tasting note

A tribute to Arturo Pérez Rojas — the visionary behind Piedra Sagrada. A cellar-worthy classic, shaped by purity and precision. Iridescent Burmese ruby in colour. The expressive nose opens with black fruit, fiery raspberry water, nougat and spice. On the palate, it's supple and layered: soft yet intense, offering subtle sweetness and evolving complexity over hours.

A wine for those who savour nuance and know how to read a great terroir.
