Tasting note

Vintage 2018 is a tribute to Arturo Pérez Rojas, creator of Piedra Sagrada. A great bottle for cellaring, a classic in straightness, in the purest line of Cabernet Sauvignon.

- A bright color, iridescent, Burmese ruby full of fire.
- The nose is already very expressive, although it was not until 2022 that the complex bouquet fully surrendered to the delicate nose of big bottle enthusiasts. Spices, black fruits, a touch of nougat and a note of fiery raspberry water distinguish this new vintage.
- On the palate, nuances and subtleties of an almost sweet fruity flavour; Softness and roundness without ever lacking intensity.

An immediate pleasure that reveals all its different facets over the course of almost three hours of tasting. The unique spectacle of a great terroir wine that is only given to a true palate; to the one who knows how to analyze the pleasure of what he is tasting.
